

Daily Prayer Calendar

PLEASE KEEP THIS REMINDER IN A HANDY PLACE SO YOU CAN PRAY DAILY FOR BETHANY'S MINISTRY NEEDS.

For wisdom for the National Board members, as they make decisions about Bethany's ministry and future	For the 1-800-BETHANY crisis pregnancy volunteers, as they counsel birthparents	For our pregnant clients—that they choose life for their children	For the Lord to supply Bethany's financial needs locally and nationally	For adoptive parents, as they wait for the child God intends for them	For birthparent counselors, as they work with clients	For Bethany's President, Bill Blacquiere, as he oversees the national ministry
For the Branch Directors, as they deal with local and branch issues	For lawmakers and judges, that they will propose laws and make rulings which affirm the sanctity of human life	For new staff, as they begin their work with Bethany	For couples dealing with infertility and pregnancy loss, that Bethany's ministry will provide comfort, healing, and alternatives	For the success of upcoming events that will benefit children	For Bethany's Directors of Operation, as they supervise their branch offices	For the office staff, as they work to fulfill Bethany's mission
For the many volunteers and donors who help sustain Bethany's ministry	For foster care parents, as they care for Bethany children	For shepherding parents, as they care for birthmothers	For the Lord to expand Bethany's work to other states and countries	For those serving as foster families, to have patience and an encouraging attitude	For churches to become more involved in pro-life issues	For more sponsors for international children
For more birthparents to consider the adoption option	For the Lord to raise up more prayer warriors for Bethany	For more families to have a desire to adopt children with special placement needs	For The Bethany Children's Fund (endowment) to grow	For staff to be compassionate and caring with all clients	For wisdom, as staff prepare families for the adoption process	For additional qualified board members
For God to be glorified through the ministry of Bethany	For good stewardship of resources	For the Lord to give staff and boards a vision of His will for Bethany's future
