You know how it goes ...

A letter from Bethany arrives inviting your gift support.

For a number of reasons, the time is just not right.

Or the letter gets lost in a stack of other mail marked the "to do" pile.

Life

There is a better way...through *Electronic Funds Transfers*

What is an Electronic Funds Transfer (EFT)?

It is really simple. You pre-authorize gifts to Bethany Christian Services as frequently as you wish (monthly, quarterly, semi-annually). We will work with your bank to make the regular deductions you have authorized.

How Does EFT Work?

All you need to do is complete the attached coupon. We will follow your instructions. It's FREE and all we ask is that you commit to a minimum contribution of \$25 per donation. If your situation changes, you may alter or discontinue your commitment. After each gift is automatically deducted from your account, we will send you a receipt.

What Are the Advantages of EFT?

1. You can better budget your giving.
2. You no longer need to remember to write the check you intend to give.
3. There is no cost to you, not even the cost of your check or postage.
4. It's easy and convenient.
5. We won't send you fundraising letters anymore. Instead, we will send you updates on how your gift is being used.
6. Bethany will be able to commit more resources to ministry by reducing mailing costs.

In Summary...

Giving through electronic funds transfer is easy, free, and beneficial for you and for Bethany. We hope you will give it a try. As always, we commit to being careful stewards of your gift in ministry to children and families.

Thank you!
