

BETHANY CHRISTIAN SERVICES of GREENVILLE, SC

Myrtle Beach Marathon
February 14, 2009

The Greenville office had three individuals who participated in the Myrtle Beach Marathon. Each runner was responsible for obtaining sponsors. \$3,220 was raised for the Greenville Bethany office.

Bart Thompson completed the full Marathon in just 3 hours 15 minutes. It was his first marathon. Oni Maxey, also a first time runner, completed the half marathon in 2 hours 28 minutes. Anne Reese was able to complete the full marathon in 5 hours 25 minutes despite being plagued with a stomach virus. Congratulations to each of these three runners for a job well done. We are deeply grateful to them for giving of their time and energy in training for this event. We also appreciate the funds they were able to raise for Bethany through the sponsorships they obtained.

**Church
Leaders
Breakfast**

Wednesday, March 4, 2009 8-9 a.m.

In order to increase awareness of Bethany's services, we are inviting church leaders to attend a free, informational breakfast at the Greenville Bethany office.

Please contact the Greenville Bethany office at 235.2273 or bcsgreenville@bethany.org for more information.

PRAYER REQUEST:

Due to the costs involved in adopting a child, and the current state of the economy, we have already begun to see a decline in the number of people inquiring about adoption. Children need a forever family. Please pray that God will continue to call His children to adopt His precious little ones, and that those whom He has called would put aside their fears, trust Him to provide, and in loving obedience, pursue adoption.
