Faces of Bethany

In this Insider, we want to show you some of the faces of Bethany – the children – who found their forever families in 2006. We placed 65 children in 2006, and we hope to surpass that number in 2007.

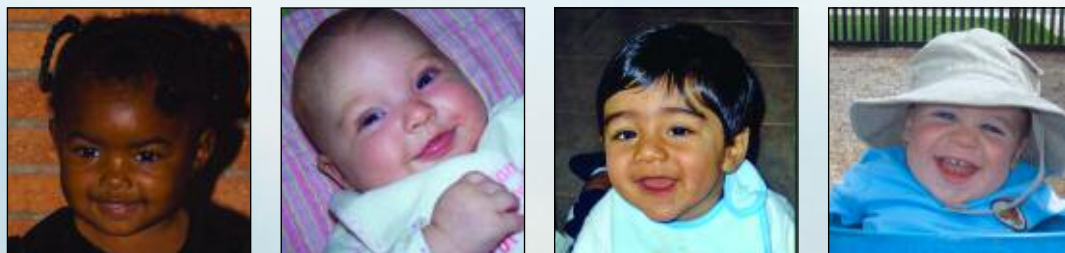

You can help us reach our goal by promoting Bethany's ministry wherever you can, especially in your church! Please call us at 209.522.5121 to find out how. Primarily we need help getting the word out that we need families to adopt internationally, African American families to adopt locally, and more churches to put us on their missions budget.

We also want to spread the word about Bethany's House and our ministry providing maternity care, housing, and so much more. Pregnancy centers need to know we are there for them as the adoption and housing resource for their clients.

*"You are the light of the
world. A city on a hill cannot
be hidden. Neither do people
light a lamp and put it under
a bowl. Instead they put it on
its stand, and it gives light to
everyone in the house. In the
same way, let your light shine
before men, that they may see
your good deeds and praise
your Father in heaven."*
