**Bethany is growing!!**

**We are well on our way to being licensed in Kentucky. Pastor Charlie Evans has provided the office space in Bowling Green we needed to get started. Chris Troutt is working to pull together all of the state and city requirements. Hopefully we will be in business there soon! We'll keep you posted.**

**Bethany is also working to open an office in Alabama! Terri Cavender is working with our national office to open an office in Fairhope, Alabama.**

**Please keep this endeavors in your prayers. Also help spread the word to anyone who may be interested in becoming involved in either.**
